THE POWER OF GERMAN JEWRY has Merkel in a box. For what the Jews want, Jews get.

In a *Die Welt* feature article, "We Jews Know How Bitter Escape Is," Ronald Lauder of the World Jewish Congress and Dr Josef Schuster of the Central Council of Jews in Germany, attacked Germans who oppose mass migration by non-whites as "neo-nazis."

Applauding Germany's progress in developing an "open society," lauding it as "good for Jewry," the authors then demanded Merkel to increase the flow of migrants.

Surely, the occupation of Germany by Jewmerica continues as Merkel listens to Jews more than Germans in her pursuit of mass migration of which seventy percent are single men.

But Lauder and Schuster have a remedy for that.

By subjecting the migrants to a "re-education program" that instills "Germany's *raison d'état*" in their souls, the Muslim migrants will be "Germanized" and all will be well.

Problem is, Jewry's definition of "Germany's *raison d'état*" (Read: "Jewry's national interests") is support of Israel and assent to the Holocaust narration.

This is a political ploy to strengthen the bond between "Germans" and "Jews" by using the migrants and their "Arab anti-Semitism" to Jewry's advantage.

Schuster warned Merkel that "respect for the values enshrined in the Constitution (actually, *The Basic Law*, there is no Constitution) and agreeing that support for Israel, rejection of anti-Semitism, and remembrance of the Holocaust, is part of Germany's DNA."

And Merkel injects the virus and touts the script.

In a televised New Year's address, Merkel scolded the 'neo-nazis' for claiming "Germanness" solely for themselves and excluding others.

Ah, that's the Jewish line. The devil's in the definition.

"Germanness," according to Jewry, has nothing to do with culture, race or religion. It's only about where you live.

Are you a Muslim living in Berlin? Then you'll be imbued with "Germanness." Even with mosques on every corner.

"Americanness," according to Jewry, has nothing to do with having European roots and 2,000 years of Christian creedal history, but where you live.

Are you a Muslim living in Baton Rouge? Then you'll be imbued with "Americanness."

BUT WHAT'S GOOD for the geese is bad for the Jews.

Jews see themselves as JEWS FIRST, and then perchance "merkans" or "chermans."

(Notice in the title, "Central Council of Jews in Germany," how they don't call themselves "Germans" but identify themselves as a nation within a nation.)

Let the fragmented masses take on a national definition, it's really meaningless. For NO national unity exists when composed of competing minorities.

Only the Jews rise to the top in a splintered society.

And Merkel forces the Jew-ruled Germans to swallow it.

Having been born in Germany and growing up there I know the power of Jew-owned/manipulated media and the Jew-rigged education system.

It is painful to watch what is going on in Germany. This will blow up in everybody's face. Jews, it seems, are too stupid to understand that there will be nowhere to run to when the SHTF.

Now at the age of 60+ years I would dearly love to go back for a longish holiday to reacquaint myself with old haunts, old friends and, of course, relatives: a journey down memory lane! I dare not risk it, though.

In Australia at least I can invoke the protection of Common Law but Germany is not a country ruled by Common Law or any law for that matter. It is ruled by Jews and their brain-dead shabbes goyim.

As an "anti-Semitic" blogger, I will surely be inviting trouble.

Read my latest - and last - post. I REST MY CASE @

Bernard, I'm 100% with you.

I live in the belly of the beast (Jewmerica), and racial tensions here have reached the boiling point in cities such as Baltimore, Chicago and Ferguson.

Crime in the inner cities of Jewmerica are astronomical .. no wonder, whites had fled them and settled in suburban and rural areas.

We also have illegal aliens crossing the southern border with Mexico, bringing their crime and exotic diseases with them.

The only advantage we have over Germany and other European nations is the right to bear arms .. encapsuled in our Bill of Rights. There are over 100 million armed citizens owning some 400 million firearms.

There are a good number of wilderness areas wherein at least half hunt deer and other wild game, and combat veterans who legally own firearms. These 100+ million armed citizens are not hesitant to shoot invaders on their properties and threatened bodily harm, and some have done so, either killing or injuring them .. and a few were teenagers or younger.

Wherever firearms are banned and illegals dwell, crime is rampant. The governments won't protect their citizens, whether it be Europe, Canada, or Australia. The citizens must arm themselves for protection and form militias, if necessary. Evil won't prevail, the Rothschild Mafia will soon be destroyed.

When, only God knows, but, Organized Jewry will meet their demise.

Dear +BN

God bless you for another amazing Article.

Your montages are very expressive. That picture of Merkel reading Jewish Voice From Germany is hilarious — the visual punchline of the entire Article.

In any case, it is really quite true that the Jewish viral "political DNA" of German-hatred, Jew-loving, and pro-Israel propaganda is constantly being injected into the body of German society by the Jews' tame symbiotic German political class to keep the the German people subjected as second class citizens in their own country by outlawing any criticism of Jews or Israhell.

And of course, questioning of "facts" of German political history results in prison time as inclusive of the Jewropean value of freedom of speech–all under the benevolent commissar thumb of Jewish censorship and cultural and political control.

CCJ has thoughtfully provided a map of this 'Juden within Germany' interlocking directorate of regional associations and local communities.
http://www.zentralratdjuden.de/en/topic/106.members.html

And most, if not all of them, have their own Mossad linked groups of Jewish "self-defense" goons, most notably the Kahanist Jewish Defense League in Germany.
http://jdl-germany.org/

Otherwise the Jews are terrified of losing their German host and cash cow if, and when, the mass fraud is fully revealed and freely enters into public debate.

Herr Schuster provided an excellent example of this from last month on the CCJ website.

Dr. Josef Schuster, president of the Central Council of Jews in Germany:

"The Central Council of Jews in Germany is convinced that Hitler's scorning propaganda "Mein Kampf" must remain prohibited.

Law enforcement authorities should rigorously prosecute the distribution and sale of the book.

There is a great danger that this book will increasingly be circulated on the market after the expiry of the copyright. Unfortunately, it can already be purchased via the Internet and abroad.

Nevertheless, knowledge of "Mein Kampf" continues to be important in order to explain National Socialism and the Shoa. Therefore we do not object to a critical edition, contrasting Hitler's racial theories with scientific findings, to be at the disposal of research and teaching."

http://www.zentralratdjuden.de/en/article/5470.statement-by-the-president-of-the-central-council-of-jews-dr-josef-schuster-on-the-edition-of-mein-kampf.html

Herr Schuster, let me fix this for you.

"The Central Council of Jews in Germany is convinced that Hitler's scorning[ly truthful] propaganda [against Jews in] "Mein Kampf" must remain prohibited [to all colonial Cherman subjects].

Law enforcement authorities should rigorously prosecute the distribution and sale of the book [before too many Chermans we can't get away with calling nazis or fascists catch on to what Hitler really said and decide to start another national revolution to take back their country].

There is a great danger [to our Shoah Business and the Jewish political DNA of Chermany] that this book will increasingly be circulated on the market after the expiry of the copyright [and the Indian book publishing mills are already churning them out by the boatload].

Unfortunately, it can already be purchased via the Internet and abroad [which we can't seem to control. And then there's that damned First Amendment!]

Nevertheless, knowledge of "Mein Kampf" continues to be important [for the Jews] in order to explain National Socialism and the Shoa [our way].

Therefore we [Jews] do not object to a critical [propaganda] edition [published by Jews], contrasting Hitler's racial theories with [Jewish] scientific findings, to be at the disposal of [Jew-only] research and teaching [under the close supervision of the CCJ IN Germany, of course]."

There, that's better, Herr Schnorrer!

@Bernard Weckmann

God bless you!

CRIMES OF THE RAPEFUGEES

-13th November 2015: several of the Paris attackers came to Europe (disguised) as refugees.

-31st December 2015: thousands of so-called refugees molest, abuse, rape and/or steal over 500 German women in Cologne, 133 in Hamburg, and dozens more in Stuttgart, Bielefeld, Frankfurt and other European cities.

-8th January 2016: a man attacks a police station in Paris and is shot dead. He was a refugee living in Recklingshausen, Germany.

Despite the sorrow and death that all this means, it will be the tipping point for Germany: the ugly face of the ETERNAL JEW and their willful executioners is there for all to see!

My only hope is that the Germans vote for true patriotic parties such as the NPD…

I wonder what it would be like if non-white countries took in masses of white people with no restrictions for diversity reasons and how it would work out there for them with minority status?

For example, I don't believe non-Mexicans are allowed to own land in Mexico.

Many non-white countries have very little diversity themselves and don't have to deal with integrating those kinds of issues. Maybe they should.

To start with, I believe Merkel is a crypto Jew, and she'll fall in line with tribe's agenda of creating a global mongrel society, whether she agrees with it or not.

And, as it says in Daniel 2:42, the last kingdom will be a mixed race kingdom, part iron and part clay, yet it's not able to blend, just as iron and clay will are not able blend.

And who's the culprits behind the mongrelizing of Western nations? The devil's children themselves, the Jews of course. We already have a secret one world Jew government, that duped zio-Christians cannot see.

The melting pot is just another Jew's lie. God separated people for a reason, and now the Jews play on the minds of the simple and the weak, with their plan to circumvent God's order.

The only good point, is that we're closer to the return of Jesus Christ, who now come with a sword, and rid of of the devil's children.

Matt Wayne
January 14, 2016 @ 11:36 pm

I think with the internet and flow of uncontrolled information exposing the the children of the devil, the Jews will feel a need to speed up their plans of conquest and genocide, before the light of day renders them ineffective.

The Jews are feeling cornered, and that their scams are be exposed, along with who they are, for all the world to see.

These psychotic Jews will turn very dangerous, as they plan an all out genocidal attack on white Christian Europeans and Americans.

Which is also what the book of Revelations tells us the Jews will do. The Jews are getting ready to make war against the lamb, Christian will be slaughtered in mass.

If you claim you're a Christian, wash your hand of these lying and murdering Jews, and stand with God's only Son, Jesus Christ.

The system is a global Weimar Republic, with added Trotskyist elements to promote the "Anti-Racist" rubbish.

One day, very soon, there will have to be, a very calm, specially selected group of professionals that must take the head from the snake.

Once a large, deadly snake is decapitated, it's former power and strength, is gone.

Spiritually, we have Brother Nathanael, and Jesus through God, but as mere humans, we may have little choice in providing the physical requirements for relief.

Santiago
January 15, 2016 @ 8:06 am

What is at stake for the Jewry agenda is the "diverse human nations" concept to be destroyed in order to fulfill their foundational principle of a "God's nation".

The biblical logic of that chosen nation or chosen people to rule over the whole human species and beyond any concpet of living creature, has started to be seen as the worst racist idea these self so called Hebrew group of tribes can ever proclaim.

The infernal way things are going in this planet, are making every body doubt about Abrahamic religions. A disfunctuional Islam with two branches fighting each other to dead and a Catholic Church lead by an open abortioner protector, gay protector, narco communist killers (Castro brothers) protector and so on, are leading the whole world to a reasonable doubt about veracity and convenience of the so called Abrahamic religions.

Actually, what is really going on is that the whole concept of Western human spirituality is at stake.

Spiritual teachings like Buddism or Animist Shintoism are about to gain acceptance in the West because frankly, when our leaders game the thermonuclear arsenal cards on the tables not only as an option of last resource but actually as the main deterrent card like North Korea has proved, the things on this planet earth are really bad. I mean really bad.

My point is, even that I am a Jesus Christ believer, the war against the truth of His existence is really strong and faith is weak. Look at the American people, which clearly I'm not: Brother Nathanael could not be more clear, direct, realistic, honest and transparent and what has he got?

A few million people's views of his brave and fantastic job, but and this is my but, what leaders have to say about his evidence systematically and accurately presented week by week for years?

I think it is time to print all his works and present it the to the United Nations, and to the head of the Vatican, the Pope Francis, and present it to German Cancellor and the German Parliament and the United States Congress because, really, the things of the world are really bad.

And by bad I mean the worst as we are even in the border a total extinction just because we have lost the concience of ourselves, starting by the American people, who are, with all my due respect, a 300 million nation absolutely disconected to the rest 6.7 billion people with just very, very, very few exceptions, like of course Brother Nathanael and his donors and readers.

Unfortunately, Christianity just isn't the roadblock to Babylon it used to be. At one time it gave Satan a difficult go. Not all that big and strong really, but very problematic. However, the enemy is within the gates now.

We here should accept the fact that there isn't going to be some coup that will "restore America". The writing's on the wall for America. Abortion… fag marriage… wars of greed and conquest…. One could go on a long time. God can't be amused.

America's just the most recent incarnation of Babylon. "Babylon" being a metaphor for the ancient pagan system that dominates the world to this day: buying and selling, usury, war, sexual perversity, child sacrifice….

America sounds like the modern re-creation of Babylon as described in the Bible. And it's doomed too.

Jews are as much pawns in the hands of the Globalists as are Muslims, Christians, atheists, Buddhists and others.

The top Globalist families are of mixed Christian-Jewish background and even a few Indians, Muslims and Chinese have been taken on board.

The current mass migration into Europe is to create Islamophobia so as to engineer the third world war in keeping with Albert Pike's vision or agenda for 3 world wars with the 3rd world war being a global conflict that will pit Zionism (Israel) against the Islamic world, resulting, as Pike states, in the mass destruction of both sides to the conflict.

Whistle blowers, ex-Illuminati sex slaves, deprogrammed mind control victims and even the inimitable Henry Kissinger (chief puppet of the Globalists) have hinted at the total destruction of Israel by 2025.

The Middle Easterners in Germany and elsewhere in Europe have been traumatised by the very same Globalists who through false flags, Arab Spring, puppet rulers and creation of the ISIS have almost destroyed their native countries thereby pushing them towards Europe under the goading of a Globalist fronts, George Soros, Barack Obama, Angela Merkel and others.

In Europe, the Muslim immigrants face a bleak future due to low IQs as a result of sustained and widespread inbreeding down the generations, poor educational levels, poverty and inclination to ghettoization.

A borderless world and multiculturalism are fine sans the sinister implications of a world war involving a clash of civilizations.

Santiago
January 15, 2016 @ 9:42 am

By the way, when printing, publishing and presenting the Brother Nathanael's work to the authorities of the world, I repeat: PRINTED, it shall be in a way that the human kind can't deny its existence or corrupt its truthfulness or pervert its meanings because Jews pervert everything all the times.

It has to be a moment of truth for the WHOLE world to the human kind, a coordinated act where all major still relativeley sovereign nations or states like Russia, Japan, China, Iran, Syria, India, Iceland, Vatican, and every other I could name would receive without any doubt (even with a letter accusing reception by seal and signature of guards in charge).

And of course to bring the printed book of the Brother Nathanael Works to the United States authorities (each and every governor and each and every senator).

And yes, of course even be brought to the Israelies with a special dedication to a people that not like Jesus said "forgive them because they don't know what they do"; on the contrary, teling them to beg for mercy because oh yes, they know very well what they have been doing since the very day they have killed Christ.

The cost to edit in a printed book format all the writings and images Brother Nathanael he has been working for decades would worth every cent of it.

Please Brother Nathanael, this "virtual" media has been a great platform but the printed documents are human creations with invaluable value, just like stone carved but even more convenient. And yes it should be done quickly and quietly.

The Jews push Merkel to admit hordes of illegal aliens because they want to do what they have been trying to do since WWI–to destroy Germany.

Jews want to destroy all white Christian societies because they hate Christ and are mostly Babylonian mixed race Satanists. Satanists hate Christianity and mixed race humans hate those of pure race, and that's why so many of them voted for Ohbummer in the last 2 US presidential elections.

David Menaheim,

I don't believe that for second. The Bible that there's a great prostitute/Babylon that sits over the peoples of the world.

The Bible say its a people, who have enormous wealth, who essentially control the money supply. They're drunk with the blood of the saints, they killed the prophets and will make a final war against God's people.

That's what I think they're preparing for now. Importing Muslim soldiers, disarming the populace. They're not storming the militia in Oregon, solely because they want to calm the sheep down. They're trying to get their guns and don't want to give excuse for those who rightfully fear our government.

It's the Jews who are behind it. Not the no-name globalists, NOT Christians. God has already decreed the Jews' destruction. They've murdered tens of millions already, and God will be destroying the Jews.

And here I was led to believe that Ukraine was full of NeoNazis.
—–

In some branch of the Jewish religion there is a tradition to come to the Ukrainian town of Uman to celebrate the New Year. So each year tens of thousands of the believers arrive.

They probably even did it during Soviet times, when the borders were locked, but now, when Ukraine is a separate state and there are no limits on travel, each year more and more people come to celebrate.

One of our favorite bloggers, Ilya, has travelled there and taken some photos!

Jewry is not a race but a nation of people drawn from diverse gene pools spread out across the ME and in the post-Temple period, as some ME Jews fled to Southern Europe, the faith attracted many Europeans some of whom intermarried with the former (i.e. ME Jews), while other European converts preferred to marry and breed among their own kind.

Race is a redundant idea that science has debunked by research findings that indicate that all humans share around 99.5 % or more of the genome. It makes more sense to speak of genetic adaptations and mutations influenced by climate, gene exchange through mass migrations and endogamy.

Multiculturalism is at the root of the Hebrew/Jewish psyche and this is why they encourage the trend of mixed populations everywhere.

Most American Jews have/are marrying non-Jews of every nationality and the spread of multiculturalism is gaining popularity among the Jews. Even in pre-Nazi Germany, it is said that 60 % or so of German Jews had married Christians.

The leading Globalists are products of mixed Christian-Jewish heritage and care neither for Judaism or for Christian since the occult or sorcery is what attracts them.

Pubic places in the West and in Israel have explicit occult symbolisms on display.

The religion of the Globalists is the sinister occult traditions of Babylonian and Egyptian origin that in turn were influenced by the sorcery of India called Tantra.

Kaballah developed in ancient Chaldea and was also directly influenced by Tantric traditions of India.

The famous witches of the Illuminati like Albert Pike and Aleister Crowley drew heavily from Indian sorcery.

Theosophy and Free Masonry that're allied with Illuminati occult are also based on the Indian Tantra.

Irene Blavatsky was the noted proponent of Theosophy.

Other famous occultists having common goals of a one world order founded on occult were Max Theon, Sri Aurobindo, Swami Vivekananda and Mira Alfassa (The Mother).

Even during the time of Abraham, the first Hebrew (convert from paganism to monotheism centered on the exclusive worship of El Elyon/Ha Shem), the followers of Ha Shem were drawn from various gene pools spread across the ME.

The so-called 12 tribes were drawn from mixed ME ancestry since their parents and ancestors were of ME origin.

David Menaheim says the Arab Muslim migrants have low I. Q. because of inbreeding.

Using that paradigm, then the Jew would be the most ignorant of all. No one has inbred more than the Eastern European Jews. So I doubt that it is of value to think that.

Yes, it does cause other problems, and the Jew has the genetic defects to prove it–high rates of Down's Syndrome, blood diseases, sexual perversions, etc.

But as for the Arab Muslims, none I know personally are illiterate. In fact, all have higher education and all are from Palestine.

It sounds to me some like Menaheim may be an Islamphobe and Ziojew agent.

To Bernard Weckmann:

As a fellow Australian I was so glad to read your comment and Blog.

The latter is very illuminating and one trusts multitudes will see it. Am sorry not to have known of it before, now that it is too late!

I would wish every one of us here could read it but that would never be.

Our countrymen here are living in a false Utopia, where for the majority, the rest of the world barely exists, so taken up are all by a good life of sports and watching sports, drugs,sex,beer, partying, the beach and godlessness that serious matters are of little concern.

It is only in the past three years that I, well-travelled, having lived in a few countries and an inveterate reader, have known the real situation regarding Jewry..

There have been just a few in my life but they were Christians, one family from Austria who never spoke of anything Jewish and were anti Communists.

There was one in India who said: 'I am not a Jew. I am a Christian'.

As for Rose Bay Jewry, one of them actually came up to me and said, 'You are one of us aren't you', to one's astonishment!

So what part of my ancestry incorporated such people?

My mother's middle name would indicate there were some.

However, for a Christian, there is no place for 'pride of race, pride of face or pride of grace'.

God created the idea of being in a race but as believers we are a new race and nation

May the Lord Jesus bless you and it is wonderful that you are connected in some way with our dear Brother Nathanel, a treasure of God's grace in the gospel of Christ.

If this is the end of the world approaching and they win out, even in Australia where the Jewish Lobby has hidden power and our present Prime Minister is Jewish, in with Golden Sachs, maybe the Lord will send fire down from heaven on them.

If not, we can only trust Him and hope for His grace to avert the threatening cloud that having engulfed Germany, once a remarkable country, looms more darkly on the horizon for the whole world again and in greater darkness.

Perhaps confidence in such as Brother Nathanael and indeed yourself, will enlighten our way.

It could be there are answers that could be made known to avert such a danger threatening mankind. None of us can lose hope in our God, whatever may happen.

Our God reigns. Our world is in the control of worse than its own sinfulness, that being the spiritual progeny of the fallen Angels as revealed in books of the Bible that were removed a couple of centuries after Christ - to the loss of Christians in the West at least.

Brother Nathanael's video and article reveal a situation with Germany that truly is horrific.

It is not only Germany and other nations around but it is Russia they are out to obliterate.

Thus Saudi Arabia is using economic warfare with lies also that it is impoverishing her, when all the time it seems Britain, U.S.A., Israel and Saudis are out to down Russia.

Will there be a nuclear war? They want to acquire Iran to feed their damnable greed and lust for power.

May the Lord have mercy on His people everywhere.

Dear Matt Wayne,

I always respect your comments.

In your reply to David Menaheim, you say you don't believe him. He has two comments and most of the content are exact and true, according to research.

As for your understanding it is apparent you follow the theories of John Nelson Darby, whose supposed revelation are revered and followed by at least 40,000,000 in U.S.A.

Were you to research this man, founder of Exclusive Brethren, godson of Lord Nelson of Trafalgar, an aristocrat of the Establishment and friend of Jews, it would be enlightening.

Please do this.

Darby came to favor an unworldly church destined for heaven but a natural nation of Israel reserved by God to rule this world as they ruled from Israel, Jerusalem and a temple of restored priesthood and sacrificial system.

This is not the gospel.

It is another gospel that these tens of millions have absorbed and so it seems have you, sadly.

Please have another look at all those matters and find proofs that accord the beliefs absolute credibility.

Revelation 1:1 is firm on the revelation being a. 'Signified', i.e. with signs and symbols. So it is to be regarded.

Then b. "about the things that are soon to come to pass', which meant in their generation and indeed as far at the latest as A.D.300.

@Irene Bonney Faulkes

Thanks for your kind words. I agree with your view on Australians: they live in a fools' paradise.

I hope you have read the most important item: i.e. the post on the page called page LAW.

This is really the heart of the blog because knowledge of our Common Law rights can be a powerful weapon against the perverted forces of the Jew-and-Freemason-infested political and judicial system! I have used Common Law myself in court on several occasions and so has my wife and it works!

Brother Nathanael's site is one of my favourites and will remain so.

Although I have converted away from Christianity and do not know at this time whether there can be a return I can assure all Christian readers of REALJEWNEWS that I have no problem with Jesus. My problem is with the Christianity subverted by the Synagogue of Satan and with its brain-washed shabbes goyim.

As for the Russian Orthodox Church: I just love the music of the Orthodox Church. It does not just appeal in an aesthetical sense but goes in fact much deeper: to me it is deeply mystical and soul-stirring! Even Russian folksongs have a depth to them that seems to be missing in those of other cultures.

My favourite singer of Russian folksongs is the late Ivan Rebroff (who is actually of Jewish lineage).

I am also a friend of the Russian people. In fact, a few months ago I have purchased a Russian language course as I believe that Russia will be the future. (Just remains to be seen how easy it will be at my age to learn a new language).

As for President Putin. I did compare him to Hitler in one of my articles but that was definitely meant as a compliment. For all their human quirks and weaknesses we are dealing not with mere politicians here but with true statesmen.

I think God will not be mocked much longer by the forces of darkness; their demise is certain!

Peace

Dear Irene Bonney,

I respect you and know you're my sister in lord. I'm almost 60. From as early as I can remember I've believed and known God. I've been in churches my whole life.

I talk to God continual, because he's not only God, but also my best friend, who loves me with an overwhelming love. Who's kind and gracious to me. I read the bible almost every day.

I'm aware of no one teaching what I teach. What I teach and what I've learned, I've learned from God.

The majority of churches are buying into the lie that the Jews are God's chosen people, the apple of his eye and that God will protect them. All lies.

What I teach, is that the Jews need to forsake their false belief in salvation through their flesh. When Jesus said I'm the way the truth and the life, no man cometh to the father except through me, he said that to the Jews first.

I teach that God didn't spare Sodom and Gomorrah, and neither did he spare the northern 10 tribes and neither will he spare these ungodly children of the devil, who call themselves Jews. The Jews who hold to their flesh will die and perish. The Jew's blood won't be on my hands, I've told them what God has in store them, and they can chose life or death.

Colossians 2:17 tells us the Old Testament is types and shadows of good things to come, the reality found in Jesus Christ.

An example of this is the children of Israel being in bondage for 400 years and then God setting them free on the exact date. The Passover lamb was sacrificed in the evening of the 14th day of Nisan, and the angle of death passed over.

Egypt is a type of the world and the bondage to sin, and the Passover lamb is a type of Jesus Christ. The Passover lamb was to be sacrificed in the evening between 6 and 9 pm. Jesus died at 6 pm on the 14th of Nisan, and rose on the 17th of Nisan. The 17th correlating to the 17th day Noah's ark landed. Again, a type of Jesus Christ.

From the writings of Moses, the wise men knew that at 4,000 years a lamb, a messiah would come, to bring the gift of life. And at 4,000 years Jesus came.

Man's time to rule on earth is 6,000 years and thank God it's almost over. 100%, Jesus will return and restore God's order for 1,000 years and the world will have rest from the Jews and the devil. This is written from Daniel to Revelations. The Jews will be gone, along with most of the world. We're almost right there.

Much is written in the bible of God's plans and the Jew's demise.

When you see the asteroid headed to the earth, you'll know it's the beginning of birth pains.

David Menaheim,

Some things you say I have no way of knowing and neither does it matter. You say the Rothschilds are mediocre sorcerers. How do you know that?

I base almost everything I believe on the written word of God. In Ezekiel 16 and 23 it calls the Jews the out of control prostitute and foretells of their violent end.

In revelation it says let him who has wisdom discern who the prostitute is.

The prostitute/Babylon killed the prophets, who did Jesus say killed the prophets, the Jews. She has great wealth, the Jews control the central bank in almost every country and with that almost every major corporation.

She's drunk with the blood of the saints,

Rev 18:24
In her was found the blood of prophets and of God's holy people, of all who have been slaughtered on the earth."

Sorry to disappoint some of you, but no, it's not America, America did not kill the prophets or murder tens of millions of Christians and neither did it murder Jesus Christ. But the Jews did. America is just willingly being used by the great prostitute and may share in her plagues when God's judgement finally comes.

David, you're spreading misinformation and confusion.
